In that case, the Eligible Customer will be entitled to benefit from the Offer for each Qualifying Purchase, subject to these terms and conditions.

All vehicles are subject to availability.

4. Details of the Offer

Eligible Customers who make a Qualifying Purchase will be entitled to two routine manufacturer services for the purchased vehicle comprising the service elements set out in the Owners Handbook for the relevant vehicle (each a "Service").

The Service can be completed by any authorised BYD retailer or service partner, and does not have to be completed at the retailer where the Qualifying purchase was made.

Each Service is limited to the service elements, labour and parts expressly set out in the Owners Handbook for the relevant vehicle. Any additional labour and parts that may be required will be subject to additional charges. This may apply, for example, where the Service identifies other maintenance work that may be required or recommended. The cost of any additional labour and/or parts will be agreed with you in advance.

An authorised BYD retailer or service partner must conduct each Service.

Each Service must be conducted in accordance with the recommended service intervals applicable to the relevant vehicle, as specified in the vehicle's user manual. You are solely responsible for making yourself aware of the applicable service intervals. No reminders will be sent.

The second Service must be completed within two years of the date of registration of the relevant vehicle or, if earlier, before the vehicle reaches 24,855 miles. If the second Service is not undertaken within this time period, the right to the second Service will be forfeited

The Offer and the benefits provided by the Offer are non-transferable, non-refundable and non-exchangeable (in whole or in part) and no cash alternative is available. In particular, only the Eligible

Customer who made the original Qualifying Purchase can use the Offer and the benefits of the Offer cannot be transferred to subsequent registered owners of the vehicle or to any other vehicle.

Where a vehicle has been purchased using finance, the Eligible Customer must be up to date on all finance payments when the Service is booked.

The Offer cannot be used in conjunction with any other offer, promotion or discount unless otherwise expressly stated
