360°

Innovation in your hands.

360°

Ford C-MAX has practicality in its DNA, helping you get the most out of family life. The Ford C-MAX is a spacious five-seater, while the larger Ford Grand C-MAX has dual sliding rear doors and up to seven seats. The elevated seating position and generous glass area enable you to see more of the road ahead, giving everyone on board a great view of the outside world.

"Call John"

"Listen to message"

"I need fuel"

"Find town centre"

"I need to park"

"I'm hungry"

Ford SYNC 3 with Voice Control and 8" Touchscreen
Connects with your voice, responds to your touch.

A new generation of Ford's remarkable SYNC technology enhances the C-MAX experience. SYNC 3 gives you control of everything from music to satellite navigation (optional), and will even manage phone calls, apps and text messaging – all through simple voice commands. The intuitive 8" colour touchscreen display lets you configure your home screen how you want it, while AppleLink, Apple CarPlay and Android Auto, allow you to bring your compatible smartphone technology into your car. (Standard on Titanium and Titanium X. Option with Navigation on Zetec.)

Hands-free tailgate
Lends a hand when yours are full.

Opening or closing your C-MAX tailgate is easy, even when your hands are full. With the keys in your pocket or bag, simply use a gentle kicking motion under the centre of the rear bumper and the **hands-free tailgate** (option on Titanium and Titanium X) will operate without you having to touch a thing.

The story of less fuel, more power.

With turbocharging, direct petrol injection and variable valve timing, our award-winning Ford EcoBoost engines deliver the same performance as larger traditional engines, but with much better fuel economy and lower emissions.

Engineered for economy.

**Winner at the International
Engine of the Year Awards**
for six years running.

Powered by **FORD EcoBoost**

Active Park Assist helps you find a space.

And get in. And get out.

Active Park Assist is designed to steer you into parallel or perpendicular parking spaces just 20% longer or wider than the car. Simply push a button and the sensors of this innovative system locate a suitable space as you drive past. Then it automatically steers you in, while you operate the accelerator, brake and gears following on-screen instructions and audible signals.

Park-Out Assist works like Active Park Assist in reverse, helping you manoeuvre out of a parallel space. The system steers while you keep control of the accelerator, brake and gears. When the system has cleared the space, it gives you a 'Take control of steering' message through the cluster.

Enhanced Active Park Assist
Parking made easy.

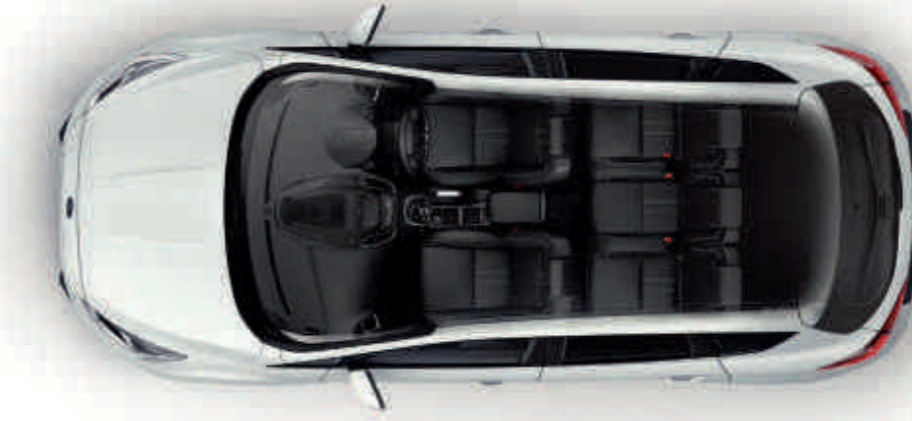

Active Park Assist is designed to park your C-MAX for you. The system locates suitable parking spaces and can automatically steer you in. It can manoeuvre you out of spaces too. All you need to do is operate the accelerator, brake and gears. (Option on all Grand C-MAX series, and Titanium and Titanium X for C-MAX)

C-MAX 5-seats. Flexible space and seating.

With an adjustable system that offers a variety of seating arrangements to accommodate up to five passengers, the Ford C-MAX provides both comfort and convenience. The rear seats fold and tumble forward or can be completely removed for extra luggage room. Useful safety features include front-to-rear curtain airbags on the first and second rows, power child locks (standard on all Grand C-MAX series, and Titanium and Titanium X for C-MAX) and seat belt reminders on both front seats.

Fully removable seats

The seats in the Ford C-MAX take adaptability to a new level. The rear seats fold and tumble forward or can be completely removed to create a spacious load area. Interior bike carriers are also available (accessory).

Easily folded away in one simple movement. (Not available in the UK)

With the Comfort Seating System, neighbouring seats can be easily brought in together. (Not available in the UK)

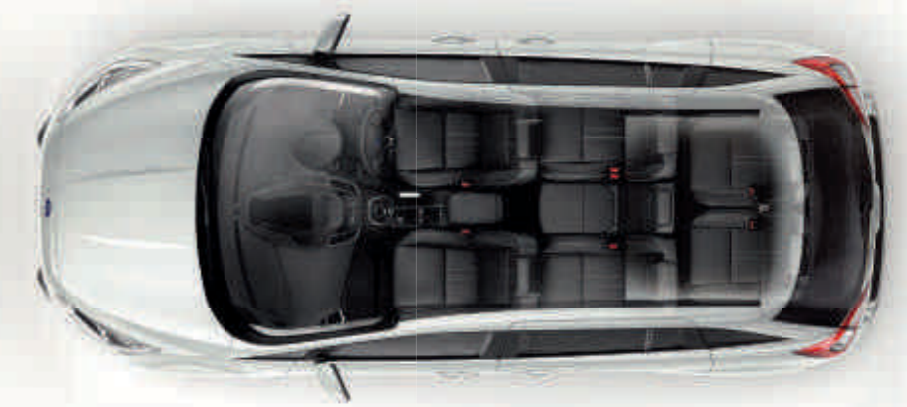

The outboard seats can be moved rearward and diagonally inboard to create additional space and luxurious seating for four passengers. (Not available in the UK)

Grand C-MAX 7-seats. Gives you room to grow.

With dual sliding rear doors and a selection of innovative features, the Ford Grand C-MAX helps you get the most out of family life. As a highly-capable multi-activity vehicle, it's also the latest evolution of Ford kinetic Design. In short, it's the perfect blend of style and substance.

Grand C-MAX 5+2 seats

Providing a choice of up to seven seats, the Grand C-MAX is both versatile and spacious. All rear seats can fold flat for you to transport large loads.

Fold flat system with walk-through seats

Second row seats also slide forward and back to optimise legroom, while the seat backs tilt for improved comfort. The centre seat in the second row folds away to create a walk-through to the third row, providing a spacious 2+2+2 layout. (Grand C-MAX)

Sliding rear doors (Grand C-MAX)

Designed to open and close smoothly with one hand, the sliding doors make life much easier. Getting small children in and out requires less effort, and tight spaces and concrete pillars in car parks are much less of a problem.

Choose the right C-MAX for you

With all C-MAX series available in both the C-MAX 5-seat and the Grand C-MAX 7-seat model options – there is a Ford C-MAX to suit you, whatever your lifestyle priorities.

Zetec

C-MAX collection

C-MAX's elegantly crafted design inside and out, impressive integrated technologies, and superb range of engine choices, all contribute to the Ford C-MAX highly regarded status.

Titanium

Titanium X

Luxury collection

The luxury collection delivers superior levels of sophistication and comfort, with premium materials and an additional range of driver assistance technologies.

Grand C-MAX 5+2 seats

C-MAX 5 seats

Zetec

Exterior features

- 16" 5x2-spoke alloy wheels
- Front fog lights
- Body colour power/heated mirrors with integrated side indicators
- Body colour door handles
- Bright finish on upper door line
- Active City Stop
- Rear parking sensors standard on Grand C-Max only
- Anti-lock braking system (ABS)
- Traction Control
- Electronic Stability Control (ESC)
- Ford Easy Fuel capless refuelling system
- Quickclear heated windscreen

Interior features

- Ford DAB Radio with 4.2" colour display, Bluetooth®, Voice Control and Emergency Assistance
- Electrically-operated front windows
- Electrically-operated rear windows (Grand C-MAX only)
- Driver's manual height, fore/aft and lumbar seat adjustment
- ISOFIX (International Standards Organisation FIX) child safety seat attachments
- Hill Start Assist
- MyKey
- Air conditioning
- Leather-trimmed steering wheel and gearshift knob
- Cruise control with adjustable speed limiter

Leather-trimmed steering wheel and gearshift knob

C-MAX 5 seats

Titanium X

Exterior features additional to Titanium

- 17" 5x2-spoke alloy wheels
- Fixed panorama roof with electrically operated sunblind
- Bi-xenon High Intensity Discharge (HID) headlights with LED daytime running lights, headlamps jet wash, dynamic bending and automatic headlight levelling

Interior features additional to Titanium

- Premium partial leather seats with contrast stitching
- Heated front seats
- Driver's electric height, fore/aft and backrest seat adjustment

Partial leather seat trim

Bi-xenon headlights

Engines

- Petrol:
1.0 Ford EcoBoost (125 PS)
- Diesel:
1.5 Duratorq TDCi (120 PS)

SYNC 3

Audio system with CD player, DAB, remote audio controls, 6 speakers, MP3 playback capability, and Ford SYNC 3 with Voice Control and 8" colour TFT touchscreen. (Standard on Titanium and Titanium X. Option on Zetec.)

Heated steering wheel

Keeps your hands warm and flexible on even the coldest of days. (Option on all series within Winter Pack)

Driver Alert

Designed to inform you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, asking you to take a rest. If driving alertness further declines, the message is repeated and combined with a chime. (Option on all series within Driver Assistance Pack)

Integrated sunblinds

Neatly hidden within the rear doors when not in use, the integrated sunblinds can be easily raised to help protect rear occupants from the sun's rays. (Option on all series within Family Pack)

^oUses sensors.

Blind Spot Information System^o

As another vehicle - car, van or lorry - enters your blind spot, the system is designed to alert you with a discreet warning light built into the driver's and passenger's door mirrors. (Option on Titanium and Titanium X)

Traffic Sign Recognition

Designed to automatically read standard format road-speed signs and display the last posted speed limit in the driver's instrument cluster. (Option on all series within Driver Assistance Pack)

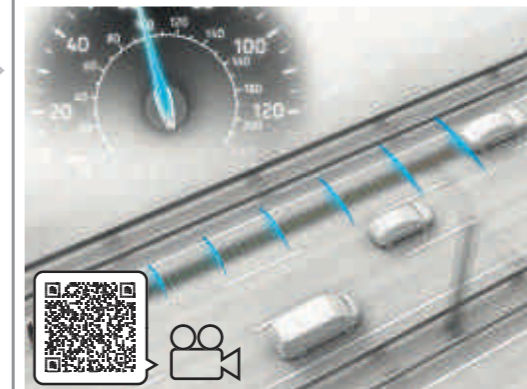

Adaptive Cruise Control^o

Helps maintain a pre-set gap between your Ford C-MAX and the vehicle ahead. If the vehicle in front slows down, the system is designed to decelerate. When the gap widens, your vehicle returns to the desired speed. (Option on Titanium and Titanium X)

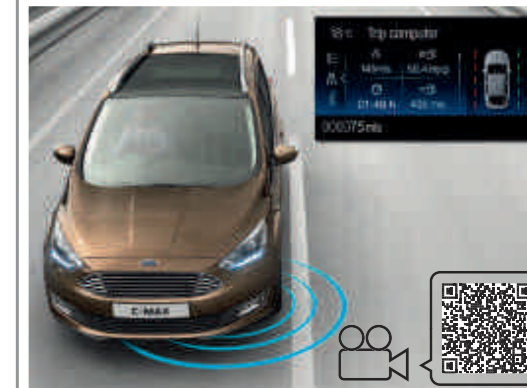

Pre-Collision Assist^o

Active at all speeds, Pre-Collision Assist is designed to help you when it detects an imminent impact with a moving vehicle ahead. First it gives you a visual and audible warning, then, if you fail to react, applies the brakes. (Within Adaptive Cruise Control option)

View our remarkable technologies in action at www.gofurther.com

^{*}Available at speeds over 40mph on highways and interurban roads with visible markings. Lane-Keeping System can be overridden by the driver or the turn indicator at any time.

Lane-Keeping System*

Lane-Keeping Alert is designed to help the driver keep the vehicle within its driven lane. Steering wheel feedback alerts you if an unintended lane departure is likely to happen. While **Lane-Keeping Aid** is designed to apply steering torque back towards that lane, to help prevent an unintended lane departure. (Option on all series within Driver Assistance Pack)

◀ Bi-Xenon headlights

This intelligent system detects different road conditions and selects the appropriate beam pattern for enhanced illumination. While distinctive **LED daytime running lights** provide improved safety while driving. (Standard on Titanium X)

▲ Auto High Beam*

When oncoming traffic is detected, the headlights are designed to dip automatically, then revert to high beam when the vehicle has passed. (Option on all series within Driver Assistance Pack)

*Auto High Beam only available in conjunction with Lane-Keeping Aid (part of the optional Driver's Assistance Pack).

Ford PowerShift

Ford PowerShift delivers the perfect combination between the convenience of an automatic and the performance normally associated with a manual. This 6-speed automatic transmission cleverly selects the next appropriate gear at the right moment for fast gear changes.

◀ Ford Easy Fuel capless refuelling system

No dirty fuel caps to touch. Plus Ford Easy Fuel with its innovative safeguard ensures nobody accidentally fills up with the wrong fuel. (Standard on all series)

◀ Ford MyKey

This innovative feature lets you tailor and limit car settings – like top speed and audio volume – to suit individual users. MyKey also lets you prevent certain driver assist technologies from being deactivated. (Standard on all series)

▲ Keyless Entry

Lock or unlock the doors without ever holding the key. Just keep the key fob with you in your pocket or bag. (Standard on Titanium and Titanium X)

Load retention systems

Robust retention systems* keep luggage safely in the load compartment. Guards fitted behind the first row of seats are only available as an option. Whereas guards fitted behind the second row of seats are available as an option and accessory for C-MAX, and as an accessory only for Grand C-MAX. The Grand C-MAX also offers the choice of a load retention net. (Option and Accessory)

For a comprehensive list of accessories visit www.ford-accessories.co.uk
 For a range of Ford branded items – from clothing to lifestyle products and model cars – visit www.fordlifestylecollection.co.uk

Rear spoiler

Gives an aerodynamic finish to the roof line. Not available on Grand C-MAX. (Option and Accessory)

Tow bars

The retractable tow bar is stored out of sight below the rear bumper and can be electrically-released when needed for towing, thereby retaining the car's sleek looks (option and accessory). Also available is a detachable tow bar (accessory) as well as fixed tow bar (accessory). While towing, the standard Electronic Stability Control (ESC) ensures that trailer sway is counteracted.

Roof racks

Sturdy and lockable roof racks allow you to transport loads safely and easily. Base carriers are available for C-MAX (accessory), whereas crossbars (accessory) are available for Grand C-MAX models fitted with roof rails (option and accessory). They form the basis for various available roof attachments (accessory).

Uebler+ rear bike carrier

High-quality tow bar-mounted bike carrier features a practical tilting mechanism for easy access to the load compartment (accessory).

Load compartment protection

A durable load compartment tray with the C-MAX nameplate is available (accessory), as well as a reversible load compartment mat with carpet and C-MAX logo on one side, and a durable rubber surface on the reverse (accessory). Both are ideal for transporting wet or dirty items.

ClimAir®+ wind deflectors

Reduces wind turbulence and noise, allowing you a more enjoyable drive with the front windows down, even during light rain (accessory).

Rubber floor mats

All-weather floor mats are made to help protect against dirt and damp. Securely fixed directly onto the vehicle's floor, the rubberised mat is designed not to slip and interfere with the pedals (accessory).

Mud flaps

Contoured mud flaps help to keep your Ford clean by reducing road spray. Available as sets for front and rear (accessory).

*Meets European ECE-R17.08/ISO 27955 safety requirements.

♦Item covered by third party supplier's warranty, please see back cover for details.

Making ownership easy and affordable.

Take advantage of a range of invaluable services and make the most of your car – for as long as you own it.

FORD SERVICE

Delivering total peace of mind.

With Ford, the service doesn't end when you leave the showroom. Ford Service is designed to keep your Ford in great condition and help you make the most of your car – throughout its life.

- **Free Electronic Vehicle Check***
- **Free European Roadside Assistance+**
- **Transparent recommended retail prices at participating Ford dealers**
- **Mobility Service to help keep you moving**
- **A One Call number to connect you to all Ford services: 0203 564 4444**

*The 30-point FORD eCHECK is a visual only vehicle inspection. Your participating Ford Dealer may recommend that certain essential work be carried out on the grounds of safety before you drive your vehicle.

+Roadside Assistance can be extended for a further 12 months when your vehicle has a Scheduled service at a Ford Dealer. Available at participating Dealers only, see ford.co.uk for more information.

FORD INSURE

At Ford Insure we provide insurance designed specifically for Ford owners. We have comprehensive cover which includes features and benefits that really matter to you, along with first class service.

- **Repairs carried out by Ford-trained technicians at Ford Accident Repair Centres**
- **Genuine Ford parts with a 5 year guarantee**
- **Small replacement car for the duration of your repairs**
- **Ford Insure experts at UK call centres**
- **24 hour accident recovery**
- **Unlimited cover for standard fit in-car entertainment equipment**
- **Up to 90 days European cover**
- **Replacement child seats in the event of an accident**

Terms and conditions apply.

Ford Insure is sold and administered by Europa Group Limited which is authorised and regulated by the Financial Conduct Authority. Registration number 309794. Registered in England with company number 3279177. Registered office: Europa House, Midland Way, Thornbury, Bristol, BS35 2JX

FORD PROTECT

Extend your warranty up to 5 years / 100,000 miles with Ford Protect.

Extend your standard 3-year / 60,000 miles warranty and enjoy worry-free motoring for many years to come. Ford Protect provides a range of key benefits including:

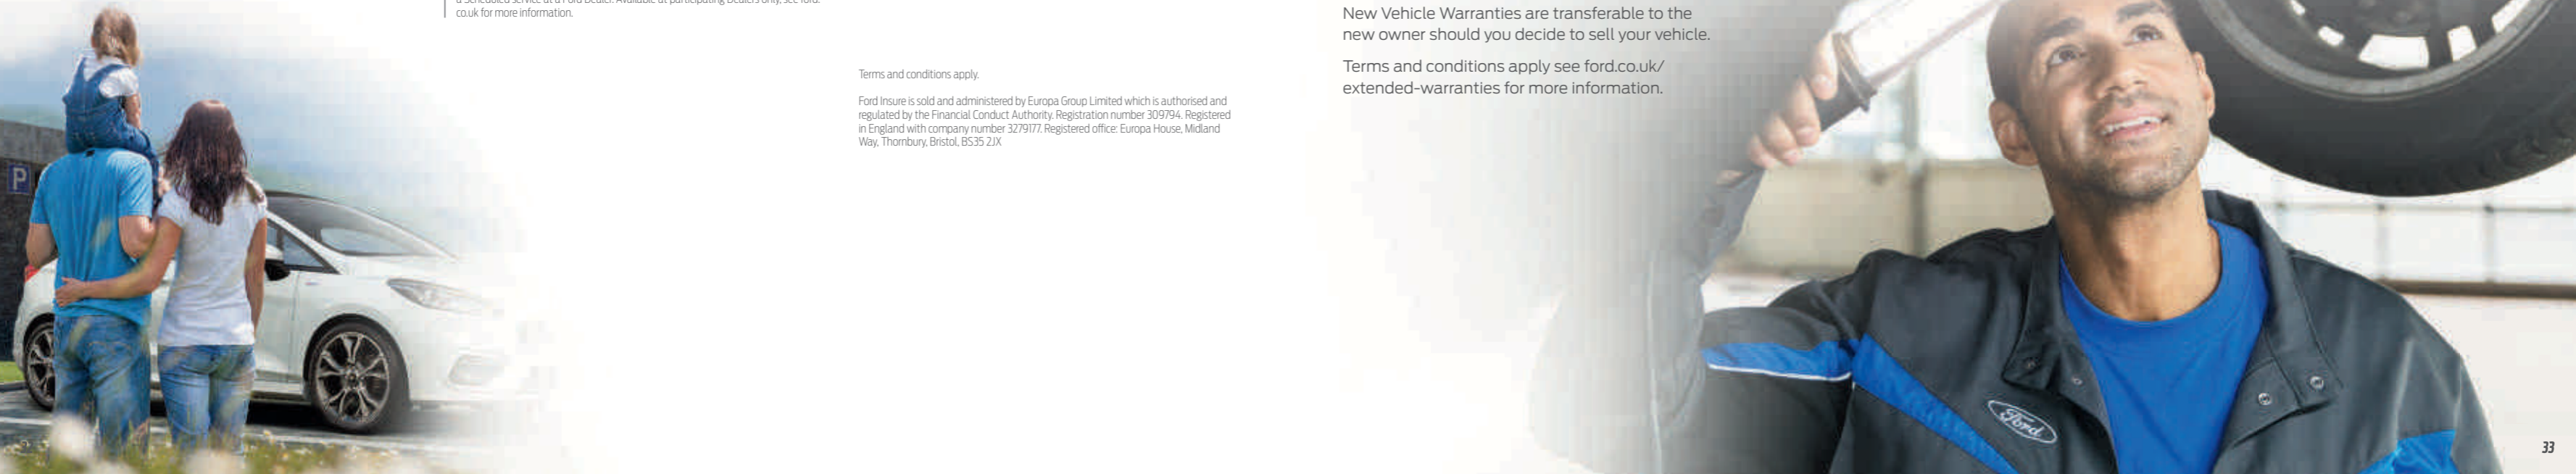

- **High flexibility in duration and mileage**
- **Cover against unexpected electrical and mechanical repair costs in the UK and Europe**
- **With a Ford Protect Plan, the price of parts and labour are guaranteed for the length of your plan**
- **Help prolong the lifespan of your Ford vehicle**
- **Protects your vehicle resale value**

To increase potential resale value, Ford Protect New Vehicle Warranties are transferable to the new owner should you decide to sell your vehicle.

Terms and conditions apply see ford.co.uk/extended-warranties for more information.

FORD Protect Extended Warranty for New Vehicles

	Annual Mileage (mls)
4 Year Protection	80,000 mls
5 Year Protection	100,000 mls

FORD C-MAX Engines

Reality check. Making fuel economy figures more realistic.

From 1 September 2017, certain new vehicles will be type-approved using the Worldwide Harmonised Light Vehicle Test Procedure (WLTP), according to (EU) 2017/1151, as last amended, which is a new, more realistic test procedure for measuring fuel consumption and CO₂ emissions. From 1 September 2018 the WLTP will fully replace the New European Drive Cycle (NEDC), which is the current test procedure. During NEDC Phase-out, WLTP fuel consumption and CO₂ emissions are being correlated back to NEDC and will be shown as CO₂mPas figures. There will be some variance to the previous fuel economy and emissions as some elements of the tests have altered i.e., same car might have different reported fuel consumption and CO₂ emissions. To learn more about the new testing procedures, please visit www.dft.gov.uk/vca/fcb/wltp.asp. The figures in the tables on pages 34 and 35 are CO₂mPas figures.

Combined	50.4 (5.6)	49.6 (5.7)	49.6 (5.7)	48.7 (5.8)	60.1 (4.7)	58.9 (4.8)	60.1 (4.7)	56.5 (5.0)

The fuel economy figures quoted in the tables on pages 34 and 35 are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (page 34) in day-to-day driving, although the vehicle is technically capable of doing so.

*In 4th gear. ⁹⁰Ford test figures. ⁹⁰The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂-Emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>.

*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight.

FORD C-MAX Engines

*In 4th gear. ⁹⁰Ford test figures. ⁹⁰The declared Fuel/Energy Consumptions, CO₂-Emissions and Electric range are measured according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO₂-Emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO₂ emissions and electric range. CO₂ is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO₂ emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk/>.

*Represents the lightest kerbweight assuming driver at 75 kg, full fluid levels and 90% fuel levels, subject to manufacturing tolerances and options, etc., fitted. Towing limits quoted represent the maximum towing ability of the vehicle at its Gross Vehicle Mass to restart on a 12 per cent gradient at sea level. The performance and economy of all models will be reduced when used for towing. Gross Train Mass includes trailer weight.

Images show Ford Grand C-MAX. All body colours are available in both C-MAX and Grand C-MAX bodystyles.

The Ford C-MAX owes its beautiful and durable exterior to a special multi-stage painting process. From the wax-injected steel body sections to the protective topcoat, new materials and application processes ensure your C-MAX will retain its good looks for many years to come.

**Premium body colours are options at extra cost. The Ford C-MAX is covered by the Ford Perforation Warranty for 12 years from the date of first registration. Subject to terms and conditions. Note: The car images used are to illustrate body colours only and may not reflect current specification or product availability in certain markets. Colours and trims reproduced within this brochure may vary from the actual colours due to the limitations of the printing processes used.*

Want to try different C-MAX configurations?

*Sit back and relax
in comfort.*

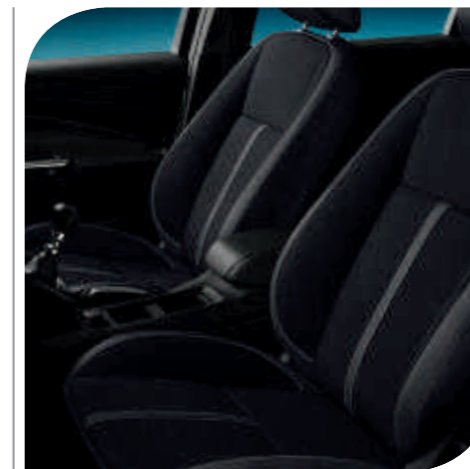

The look and feel of interior materials plays a large part in appreciating the overall driving experience. That's why great care has been taken in designing and crafting the trims for your Ford C-MAX.

ALL C-MAX Models

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and recommended prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
